## ELIGIBILITY REQUIREMENTS

**Applicant must meet all of the following eligibility requirements for the 811 PRA Program, and these factors will need to be independently verified prior to being placed on the Waitlist.**

- 1) Has an intellectual or developmental disability as defined in Section 102(8) of the Developmental Disabilities Assistance and Bill of Rights Act (42 USC 15002(8)) (see Attachment A below);
- 2) Has total household income at or below 30% of the Area Median Income for the county in which they wish to reside (see chart below);
- 3) Is eligible for community-based, long-term services and supports under South Dakota's plan for medical assistance under Title XIX of the Social Security Act, or other comparable federal, state or local program;
- 4) Is at least 18 years of age, but not older than 62;
- 5) Household cannot contain any family members who are subject to a lifetime sex-offender registration requirement.

### Income Limit Requirements

The total Gross Annual Income for the household may not exceed these amounts. Income limits are established and published by HUD on an annual basis, generally released in April of each year. These limits are effective as of April 18, 2022.

County	1 Household Member	2 Household Members	3 Household Members
Beadle (Huron)	\$16,450	\$18,800	\$23,030
Hughes (Pierre)	\$21,050	\$24,050	\$27,050
Minnehaha (Sioux Falls)	\$19,050	\$21,800	\$24,500
Pennington (Rapid City)	\$17,950	\$20,500	\$23,050
Yankton (Yankton)	\$16,950	\$19,350	\$23,030

**What counts as Income? All of the following sources must be included when determining the applicant's Annual Income:**

- \* Wages and/or tips from employment (we'll need the 4 most current, consecutive check stubs as verification)
- \* Benefits paid by Social Security, SSI, VA, Retirement or Annuity accounts, or any other award source or pension plan (we'll need a dated copy of a current <less than 120 days old> Award Letter or statement)
- \* Child Support or Alimony
- \* Regular contributions from family, friends or service agencies – Examples: If a family member pays \$100/m for insurance and \$50/m for gas for a car that is driven by the applicant, this would be \$1800 Annual Income for the applicant. If a local church provides a basket of cleaning supplies and hygiene products valued at \$50 to the applicant every month, this would be \$600 Annual Income. The only exceptions to this rule are food and medical bills. If actual food is given (3 bags of groceries each week), the value of the food is not counted. However, if someone gives the applicant/tenant \$50 to buy groceries each week, this amount would be counted. If someone outside the applicant/tenant's household is paying for their medical bills, this is not counted as income, but it also cannot be counted as a medical expense deduction, as it is not being paid for out of pocket by the applicant/tenant.
- \* Interest and dividends earned on bank accounts, retirement accounts or investments (stock, trust funds, 401k, CD's, etc.)
- \* Rental Income (Example: If a resident owns a home in another state and is renting it out for \$600/m, this would be \$7200 Annual Income)

**If you aren't sure whether a specific type of income should be counted or not, please contact Beth at 605-773-2463.**
